**CONSTITUTIONAL AMENDMENT NO. 2  
Submitted by the 87th General Assembly  
(First Regular Session)**

Department of Natural Resources to pay counties, schools and other political subdivisions for taxes lost because of acquisition of land for park use. **YES 107 ➡**

**NO 108 ➡**

**CONSTITUTIONAL AMENDMENT NO. 5  
Submitted by the 87th General Assembly  
(Second Regular Session)**

Shall the compensation for all elected state officials, including members of the general assembly and judges, be set by the Citizen's Commission established by this amendment rather than set by vote of the general assembly? Compensation changes (increases or decreases) would depend on actions of the Commission and the legislature.

**YES 112 ➡**

**CONSTITUTIONAL AMENDMENTS**

**CONSTITUTIONAL AMENDMENT NO. 6  
Submitted by Initiative Petition**

Shall the General Assembly be authorized to permit only upon the Mississippi River and the Missouri River lotteries, gift enterprises, and games of chance to be conducted on excursion gambling boats and floating facilities? Shall Article X of the Constitution of Missouri be amended to limit yearly increases of total state revenues generated by new, increased, or broadened taxes, licenses and fees, including user fees, to twenty hundredths of one percent of the total state revenue during the prior fiscal year, unless approved by popular vote; make all increases in taxes, licenses, and fees, excluding user fees, by any political subdivision subject to voter approval; and prohibit the state from mandating tax increases on political subdivisions as a requirement for maintaining their corporate status or existing level of state funding? This proposal would require state and local spending cuts ranging from \$1 billion to \$5 billion annually.
